## How to find our offices:

The A607 trunk road passes through Wellingore village, north out of Grantham or South out of Lincoln. The A15 trunk road also passes about a mile East of the village.

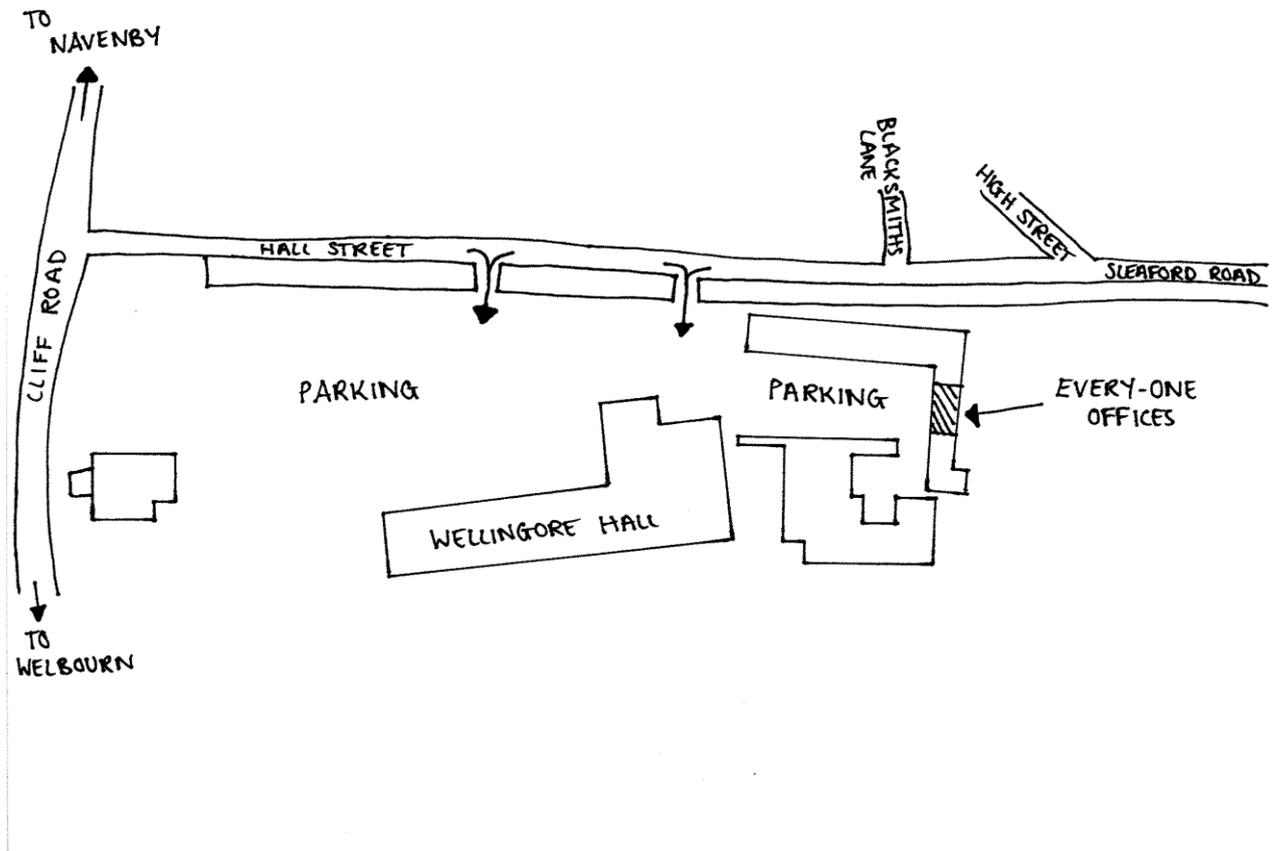

From Lincoln on the A607 travel through Wellingore village and turn sharp left into Hall Street, All Saints' Church is on the right hand side. From Grantham on the A607, enter Wellingore and turn right into Hall Street. All Saints' Church is on the corner and Wellingore Hall is a short distance down the street.

## Parking:

We do not have designated parking spaces, and there is one disabled designated parking space. If the car park is full, please park on Hall Street, but please be respectful of residents access to their properties.

## Accessibility of Offices

**We believe it is important that everyone is welcomed when they visit us. If you have any specific accessibility needs, please contact us before your visit and we will do all we can to accommodate your needs.**

**You may however find the following information helpful for you when planning your visit.**

### **Finding us**

This is what you are looking for as you enter Wellingore Lane. Go through the arch, you will see the Hall in front of you. Turn left and through the arch into the courtyard.

There is also a second archway entrance further along the wall. Either entrance will bring you into our office area.

### **Parking**

There is a disabled parking space right outside our office and which can be reserved in advance on request. The courtyard is a mix of cobble stones and light gravel.

Full size of courtyard.

## Accessing our offices

We have ramp access into our main office from outside.

Our main office door on the right has a door bell. Please ring if you need assistance.

## Using our offices

We have a main office and a side meeting room. The main office is fully accessible, however there is a single step down into the meeting room which does not have a ramp. Meetings can therefore be scheduled in the main office where appropriate.

## Toilet facilities

The toilets are just across the courtyard but there is built in ramp access and a dedicated disabled toilet. The door to the building with the toilet in is a little heavy, so some support may be needed. The courtyard is part cobbled and part gravel, but it is light and does not generally pose a problem.
